

**REMARKS/ARGUMENTS**

Claim 7 has been amended.

Claims 1, 2, 4, 7, 9, 10 and 11 remain pending in the application. Since claims 2, 4 and 10 are dependent from generic claim 1, they are believed allowable in this application.

The above amendment to claim 7 corrects the obvious typographical error noted by the Examiner.

A terminal disclaimer is attached hereto with respect to applicant's U.S. Patent No. 6,081,741 thereby obviating the double patenting objection.

Further and favorable action is respectfully requested.

Respectfully submitted,

Jim Zegeer, Reg. No. 18,957  
Attorney for Applicant
